Our engagement model is designed to let the customer focus on their core activities while we handle the non-core functions through in-house team.

- An account management team consisting of a local Account Manager, Stake holder Engagement Manager and Talent Acquisition Specialist to manage the full lifecycle starting from requirement understanding to onboarding support.
- Multiple resourcing model such as
 - Short Term
 - Project based
 - FTE placements
- Near shore and Offshore Resourcing
 - Option to have the resources placed out of InnoTx's UAE office for short term to address immediate project needs
 - Or have them placed in our Mumbai office for short or long term for cost arbitration purposes on project to project basis
